

KIHEI CHARTER SCHOOL ATHLETIC HANDBOOK ACKNOWLEDGEMENT

Kihei Charter School's Athletic Handbook has been carefully developed to enable the Administration to run the Athletic Program in the most effective and safe manner possible. Coaches are required to abide by the rules, policies and regulations outlined in this booklet. It is therefore important that all those involved in the Kihei Charter's Athletic community familiarize themselves with these guidelines.

I, _____, have read and familiarized myself with this Coaches Handbook for the 2019-2020 sports school year and agree to abide by these rules and regulations.
