WHO IS OUR NEW ATHLETIC DIRECTOR?

Name: Dave Kannewurf

Originally From: St. Louis, MO

Athletic Information: I was fortunate enough to compete in the NAIA National Championships all four years in Cross Country and two years in Outdoor Track & Field. While living in Virginia I competed as a Sub Master and Master's runner under the coaching of Matt Centrowitz and was a competitive distance runner thru 2001.

Last 20 plus years: Lived in Virginia for 23 years and worked in Hanover County for 20 years. The last 10 of those years I was the Director of Athletics & Student Activities at Atlee High School. During those 10 years I became a Certified Athletic Administrator through the NIAAA. I moved to Oahu in May of 2015 to become the Athletic Director at Le Jardin Academy. On Oahu we lived in Hau'ula on the north shore. In June of 2018 I decided to retire and move to Maui. My wife, our Saint Bernard and I moved to Kihei. In March we moved to Waiehu where we currently reside.

Years in Education: 39 26 years as a Business Teacher; Head Cross Country Coach; Head Track & Field Coach. The last 5 of those 25 years I was also an Assistant Athletic Director as well as a teacher and coach.

13 years as an Athletic Director.

Interests: I enjoy all sports and still take time to do some running. I also enjoy many professional sports and follow closely the St. Louis Cardinals in baseball and the St. Louis Blue in ice hockey. On the college level, I am a big UH supporter and follow many of their programs closely.

When you see me at events or out in the community, please feel free to stop me and say hello. My wife and I look forward to meeting everyone. I have an "open door" policy. You are free to drop by my office and share your ideas or just talk story.

IMPORTANT NEWS:

KCS [Sports Physical](#) must be on file prior to being allowed to begin practice. I am sorry, but there are no exceptions to this. Any exception could place the coaching staff as well as KCS at risk. **The doctor who in the past has come to the KCS campus to give physicals will not be available this fall. He is currently off island and will not return until October or later.**

What is "THE SHARK CAGE"? This is a weekly athletic newsletter that will be emailed to all families every Sunday night by 8:00 pm. You will also be able to access all past and present publications on the athletic website.

ATHLETIC WEBSITE:

KCS Athletics will have a new look to the website. This site will provide the entire KCS Ohana a 1 stop location to access athletic schedules, informational videos for athletes as well as parents, school/team documents, and team pages. Currently the website is under construction. Once it is ready to go live, I will notify everyone.
